Dear Sir:

In response to the Office Action mailed November 13, 2007 and the Notice of Non-compliant Amendment dated June 9, 2008, the Applicant hereby files this paper that includes a corrected section of the non-compliant amendment of February 13, 2008.

The Notice of Non-compliant Amendment noted that an element of the previous version of claim 25 did not appear in the amendment of February 13, 2008, nor had the element been canceled. This paper includes a version of claim 25 that cancels that element.
